QUALIFICATION

University of Leeds

Bachelor of Arts (Hons), New Media

Graduated with a FIRST Classification, July 2010

Usability and Accessibility, Digital Content Development, Animation, Web and Multimedia Authoring and Development, Conceptual and Web Designing.

EXPERIENCE

Freelance Web Designer and Developer (2005 up to present)

www.payfacevalue.co.uk (May 2010)

Currently maintaining **www.payfacevalue.co.uk**, a fan-to-fan ticket exchange website that was built and developed as my final year university project using PHP and MySQL with Accessibility and Usability considerations. The website includes bespoke CMS for both site administrator and members.

www.taydal.com (July 2010)

Taydal, a website for a Blakenham based surfacing company was designed and built using Wordpress. Also developed a document sharing system to simplify client communication using PHP and MySQL utilizing jQuery with features including custom built CMS.

University of Leeds, Institute of Communications Studies

Teaching Assistant, New Media Interface Design, Level 1 (Term 1, 2009)

Assisting and teaching New Media students during workshop in learning HTML, CSS, Usability, Accessibility and general web design practice.

Teaching Assistant, Creating Database Applications for the Web, Level 2 (Term 2, 2010)

Assisting students in learning how to implement and use server-side web technology using Coldfusion and basic SQL.

Parkmatic Publications LTD

Web Developer and Designer (2006 up to the present)

Instrumental in developing and maintaining **www.tenantverify.co.uk**, a credit referencing business. Redesigned, developed the front and back end, and currently maintaining **www.landlordzone.co.uk**, both using PHP and MySQL as development tool.

INTERNSHIP

Virgin Records/ EMI UK

Marketing Intern (August 2009)

Worked with the "New Music" marketing team, helping with current campaigns for artists like, "You Me At Six" and "Jamie T", among others. Highlights included assisting "You Me at Six" with effectively using Twitter.

Roadrunner Records UK

Intern (January 2008)

Assisted a small team with their marketing tasks for bands such as "Airbourne", "Kids in Glass Houses" and "Megadeth".
